OBJECTIVE

I constantly seek to engage my knowledge to learn something useful and keep challenging myself to be a better performer per the company's requirements. Good and quick learner, team player, loves to learn new things, and flexible with different technologies.

EDUCATION

Vel Tech University, Chennai

B. Tech. In Computer Science and Engineering

Aug 2023-Jun 2027

9.12 CGPA

SKILLS

Python, Java, Data Structures

INTERNSHIP

Artificial Intelligence & Machine Learning Intern, Edunet Foundation (AICTE & IBM SkillsBuild) Jun 2025 – Jul 2025

- Completed a 6-week internship in Artificial Intelligence and Machine Learning.
- Gained knowledge in AI/ML concepts, data analysis, and practical implementation.
- Worked on learning modules and hands-on tasks related to emerging technologies.

Java Full Stack Intern, NDV Techsys Solutions

May 2025 – Jul 2025

- Successfully completed a Java Full Stack internship with strong performance and attendance.
- Worked on Java-based application development using full stack technologies.
- Improved programming, problem-solving, and project development skills.

PROJECTS

Employee Salary Prediction

Technology: Python, Jupyter Notebook, Machine Learning

- Developed a machine learning model to predict employee salaries based on input features and historical data.
- Performed data preprocessing, analysis, and model evaluation to improve prediction accuracy.

Weather Forecast Application

Technology: JavaScript

- Developed a weather forecasting application to display weather conditions and temperature information.
- Integrated weather data and created a user-friendly interface for real-time weather updates.

NCERT AI Chat Bot

Technology: TypeScript, AI/Chatbot

- Developed an AI-based chatbot to provide educational support and answer NCERT-related queries.
- Implemented chatbot interaction and response handling to improve user experience.

ACHIVEMENTS

- Participated in **AI VIBE Coding Hackathon** at **SRM Institute of Science and Technology, Ramapuram, Chennai**.
- Actively participated in national-level technical symposium and coding event.

CERTIFICATIONS

- **Artificial Intelligence & Machine Learning Internship Certification** – Edunet Foundation in collaboration with **AICTE & IBM SkillsBuild**
- **Java Full Stack Internship Certification** – NDV Techsys Solutions
- **AI VIBE Coding Hackathon Participation Certificate** – **SRM Institute of Science and Technology, Ramapuram, Chennai** (COMSCI'26 National Level Symposium – 2026)
- **AI Engineer Skill Certification** – OneRoadmap

INTRESTS,HOBBIES

- Cricket
- Reading short stories
- Listening to music
- Travelling
- Learning new skills
